Dave

I had a hard time finding a place to write. I'm so glad were such great friends, what would I do without you. You're a special person & the best friend someone can have. I'll miss you next year. I'll finally be a big journey (HHAHA) Thanks for taking me to the Homecoming dance. I had so much fun. This year went so fast. Well have a great summer & don't forget to call. Maybe if I get my licence I'll stop by to check up on you take the best of care & don't chase around too many girls

Dave,
You are one doll. I am glad that we became friends this year. I had a lot of fun on the trip this year. Riding the bus, staying in the dorms, and getting radical. You have such a sweet personality. Grow older in riding "Big Time". Be careful as you don't break anymore bones.

Love Ya Bunches,

Donnie '88

Hey there Dave,

Seniors Say "THANKS"

Reflecting back at the 1983 seniors, thoughts of many fads and fashions flash through our minds. It seems that this was the year that was filled with a little bit of everything; the Parker Pajot hats which appeared in the halls and at games, the strange signal that was exchanged throughout the day. As you will notice in the senior class picture and in many group shots in this year's annual, this gesture was often used. This was used as another way to say "Thanks".

The "Look" seemed to be made of a potpourri of styles. One of the most prevalent fashions was the "Preppy" look. Yes, who would have thought so many seniors would prefer alligators, penguins, foxes, polo players on their upper left portion of their shirts.

Some seniors were dressed in a unique motif known as "Punk". Hair was cropped so portions of it would stand straight up, earrings were replaced with safety pins, and the mini-skirt had returned. Other looks in the fashion sector were: The Tuxedo Look, Jeans, Crew Neck Sweaters, Loafers, and Checkerboard Sneakers.

If the seniors gave the impression of being unique, that was exactly what they accomplished. As Mr. Larry Meyer, the senior counselor commented, "This group of seniors was special in many ways. They were well organized and eager to learn. We were told that we would enjoy having this class in high school, and the class of '83 proved them right. They were a group that was easy to get along with and always seemed willing to get involved in the school's activities. The time has gone by so fast and I hate to see them leave. It's kind of like the last football game of the season. You're sad to see it end."

IN MEMORIAM

Memories of You

You walked with us

We saw sunshine,

You walked with us

We hoped to find the truth,

You walked with us

We learned patience and caring,

Your quiet and polite ways

Set examples for us all.

We laughed,

We cried,

And shared our dreams.

When the rain of life

Came to each one of us,

We felt for a moment

We could not see the sun,

But when our visions dawned

We realized the gift

of your friendship and

The joy of sharing

it together.

Troy Donald Watts
(1964 - 1982)

Will They Make It To Disneyland?

From left to right, Secretary Mary Oppert, Vice President Julie Wolfe, President Judy Black, Yell Leader Kim Forsman

With the help of their teacher advisors, the Junior class officers headed some successful fund raisers. The Junior class put on the Valentines Day Dance, sold pretzels at all of the home football and basketball games, spent most of December gift wrapping, and got a good start collecting money for their senior trip.

This years officers included. President Judy Black, Vice President Julie Wolfe, Secretary Mary Oppert, Yell Leader Kim Forsman President Black explained, "We worked really well together this year. It was both fun and a lot of hard work, we all enjoyed it."

Thoughts For A Friend

The sun melts the ice

then the ice goes away

You helped us to find the sun

In our eyes, you melted the ice away

The roads are rocky

and the hills we climb high

Our love for you will help us around those rocks

and up those steep hills

We will someday climb high

and be in peace with you

forever.

Sophomores Have A Good Year

Sophomore Class of 85: President: Tammy Holbrook-yell leader: Vicki Ludlam-
 president: Kari Beckman-Vice president: Susan Chapman-Ashley Masuren

The class of 85 showed enthusiasm and pride throughout the 82-83 school year. Rogers sophomores have proved to be outstanding in sports, music, and other extracurricular activities.

The sophomore class has had many successful fund raisers which got a lot of sophomores to participate in school activities. A dance was held in January by the sophomore class which proved to be very successful.

FASHION FUNDAMENTALS

Excerpts from THE OFFICIAL PREPPY HANDBOOK: Preppies dress alike because their wardrobes are formed according to fundamental principles that they absorb from their parents and their peers. And although the Preppy Look can be imitated, there are some rules that must be followed.

1. Preppies wear clothes for twenty-five years and no one can tell the difference. The fabrics, the cuts, the colors are the same, year after year.
2. Neatness is important. Shoes are polished. Socks stay up.
3. Prep clothes are sensible: rain clothes keep you dry; winter clothes keep you warm; collars are buttoned down. Layering is a natural response to varying weather conditions.
4. Everything in the wardrobe should be well made. It's got to last.

Big Man On Campus: struts around campus in a nonchalant way pretending to strike fear in the hearts of all students, lounges in office waiting for victims.

VARSITY FOOTBALL

This years football team worked hard to establish and maintain the Rams winning tradition. They completed their season undefeated, became SPSL champs, and clinched a state play-off birth.

Coach Hoonan stated that the team was a very deserving group of young men, who had the ability to rise to the occassion and perform very well. Coaches were proud of this years version of Ram football, and of the outstanding team players.

The Ram team had 6 players receive first team all SPSL positions. The players were Todd Moseson, Mark Entrop, Brett Nasinec, John Wolfe, Don Esterbrook, and Shawn Langston. David Rogers received a second team all SPSL position.

1. Coach Hoonan smiles after Bill Strickland sacks the quarterback

2. The Ram offense shows their togetherness

1. Jim Beckman goes for the extra point
2. Scott Robbins tackles a Viking during the Curtis game.
3. Todd "Moseys" his way past would be Lakes Tacklers
4. Donny Esterbrook shows his quarterback technique

- 1 Rogers shows their superb defense
- 2 Jim Beckman mourns the death of an opposing player
- 3 Shawn Langston attempts to run back an interception
- 4 Todd Cope and Todd Moseson listen attentively to Coach Hoonans tactics

SOPHOMORE FOOTBALL

The Sophomore Football team played intense this year. They ended the 1982 season with a record of 8 wins and 1 loss, proudly capturing the #1 position.

After a few practices together they began to form into a tough ready to play team who opened with a trompling of the Sumner team. They lost the next game, but not their pride, and with determination they fought back to capture the #1 position.

With confidence growing they went out to sweep the league with an unstoppable winning streak of 7 straight games.

Coach Herdener said, "the team progressed steadily throughout the year developing into an aggressive, hard nosed group."

With the combination of a productive passing game, hard running backs, and a tough defense, we progressed into a competitive team."

For the second year in a row, the Junior Varsity volleyball team captured the league title. Rogers' 8-1 league record left them to share the championship with Puyallup.

"We had a lot of talent and the girls improved with each game," stated Coach Kern. Their talented team consisted of two returning juniors and eight sophomores. Four Junior Varsity players also spent time playing with the Varsity team. These players included, Judy Black, Sandy Heil, Tawnya Palmer and Teri Williams.

The 1982 Varsity Volleyball Team began the season in a position no other Rogers team has had the luxury of being in; Defending SPSL Champs. Despite season ending injuries to starting senior Sheri Bauer and junior Cindy Pitzinger mid-way through the schedule, the Rams rallied to their sense of "Ram Pride" and intense play to capture a second straight SPSL Crown.

Leading the club were president, Sharon Zinn; vice president, Rhonda Fenrich; secretary, Brenda Bartholomew; treasurer, Valerie LeSchack; historian, Chris Nicholas; and class representatives were: Ann Hasenwinkle, Michelle Madsen, Adi Anderson, and Robin Michlitsch. Also Patty Engles held the office of district secretary. In April several club members were able to attend the district convention in Pasco.

Debate is a nonathletic sport. Debaters spend many hours researching to prepare themselves for year long competition. This competition centers on propositions of national and inter-national importance

Rogers Forensic Team has accomplished a great deal this year taking awards at all of the major tournaments. Our team has become well known as one of the major contenders for the state title. Not only does Rogers excel in debate competition, but in individual events as well. Many Rogers students have proved to be the state's best in such events as dramatic interp, exempt and oratory. Rogers can truly be proud of its Forensics team

A sport that most Roger's fans don't recognize is debate. The team this year strove to be successful in all areas of forensic speaking. Ann Hasenwinkle and Rhonda Fenrich lead the team, by winning the tournaments with words instead of tackles. This year the team raised money by selling bumper stickers that promoted "Ram" spirit. Carleen Houghton helped further the team by being a very supportive advisor in all team efforts

Annual Tries To Go Punk

Editor's Note

The 1982-83 Annual Staff chose for this year's theme, "Fads and Fashions of '83." We felt the best way to capture the students "best of time" memories was through picturing the common areas of the fads and fashions throughout school life.

The teachers at Rogers all leave some type of memory in our minds that reminds us of the times we have spent in class with them. We categorized each teacher as we, as students, see them. We hope that through the theme of "Fads and Fashions" your memories will always picture the "Best of Times."

Roger's High School was active in sports, music clubs, plays, etc., during the 1983 year. The Aries Staff's job was to present to you a comprehensive photo journalistic view. Although they had their obstacles, it is the feeling of the Aries Staff that this book is a good representation of the 1983 attitudes and feelings.

Under the supervision of Mrs. Margaret Langston, the yearbook editors and staff photographed the subjects and designed all layouts. "Darcy Derrick was a fine editor and created a very positive atmosphere for the group, also Kevin Smith, Photo Editor should be credited for the fine photos in this book.

Members of the 1982-83 Aries Staff were: layout production - Daphne Carlson, Editor Darcy Derrick, Ann Gallagher, Pam Jorgensen, Terri Kennedy, Debbie Kupinski, Marcie McMaken, Kim McWillis, Sally Meyer, Martha Olson, Janet Schmidt, Joan Wildermuth, Sharon Zinn, Jim Bredson. Editors Note

This years COMMOMER staff not only turned out a terrific paper, but were involved in several money raising activities as well. The most successful of these was the canned food drive. With the help of the student body, thousands of cans were collected to be donated to local food banks.

Under the talented leadership of Editor Marci Metke, Photo Editor Sean Smith, Managing Editor Brenda Reilly, Ad Manager Adria Andersen and Advisor Mrs. Kinkela, this years staff did a fine job of carrying on the super COMMONER tradition.

German Club is a club which is made up of students who speak the German language and who are interested in the German culture. This year's German Club was a very active group of students, stated Advisor Ingrid Losey.

They have attended many different activities this year. Such as the Christmas Lighting Festival in Leavenworth. They also sold Advent Calenders for Christmas.

The President of German Club was Sophomore Shelly Isakson. Shelly was in her first year of German and enjoyed the club very much. She stated that her reason for liking German Club so well was because Mrs. Losey is from Germany and teaches a lot about the German culture.

The officers included President Shelly Isakson, Treasurer Vonda Isakson and Secretary John Hamlin.

AFS Club was designed to make our foreign students feel at home here at Rogers. This year we had an exchange student from Mexico, Irma Ruth Medina De Love. The AFS Club supported activities by sponsoring the Powder Puff games and selling suckers at football games. They also held a monthly Typical-American activity to teach our culture to the exchange students.

Spanish Club helped students to realize what the Spanish culture is like, by celebrating holidays in the traditional Spanish way, and by exploring foods, dances and songs of the Spanish-speaking world. They made the Spanish speaking exchange students feel welcome here, as well as helping to send five Rogers' students to Mexico annually on the Contact Mexico program.

Varsity Year

General Cheerleading is not all what it's cracked up to be. Some people might think that it is all glamour and glory, but that is not really true. Although there might be some glamour and glory involved, the Cheerleaders spent most of their summer mornings at 6 o'clock practices. They averaged about 20 hours a week practicing routines and chants. They also attended the National Cheerleading Association camp in Spokane where they received the NCA Award of Excellence and the Most Spirited award.

When the Cheerleaders were not practicing, you could usually find them making posters to remind students of upcoming games and to promote RAM spirit.

Under the supervision of advisor Pam Kinkela, the girls made the 1982-83 year a very exciting and rewarding one.

The 1982 Rogers Pep Band could easily be described as the most "spirit filled" group at Rogers. If one was to sit on the oppositions side at a football or basketball game, comments often heard were, "Wow their awesome" or "Gee, like, how did they get so good?" Much of the credit must go to Mr. Morrell, who added that extra sparkle and enthusiasm to the group.

This young group, made up of sophomores and juniors, performed about every two months at various schools for high school and college students. The individuals also competed in local contests and performed recitals for parents.

One extremely talented student, junior Julie Watson, is presently a member of the All Northwest Orchestra and The Tacoma Youth Symphony which will be touring Europe this summer.

Whoa, The Chorus Vocalizes

Rogers has always been known for its excellent choral departments, this year was no exception. Both Choraliers and Concert Chorus did well in proving this fact. Appearing at concerts and festivals, these groups represented Rogers with their good singing talents. Both groups sang a variety of music, ranging from the popular tunes of the day to yesterday's classical melodies.

Like, Ya' Know They Rock

Concert Choir can be described as "the" choir. This group performed well together and developed into a family. Each member took it upon themselves to strive as a whole towards perfection. Their everyday work demanded dedication to function well with one another. Their music was mainly spiritual and classical that blended their singing talents into wonderful sounds.

Swing Choir was the most popular of the choirs and could be recognized by the jazzy melodies they sang. This choir was made up of a small selected group that worked well together. The routines they performed at assemblies and concerts were very demanding of the members. The rhythmic changes and the actions added to the routines required much time and patience. But the rewards for putting forth such efforts was the fantastic swing choir Rogers had this year.

1. Members of the swing choir prove that practice makes perfect.
2. Swing Choir soothes the audience during the Christmas assembly.

Roger's 1982 Homecoming began the week of October 18. This year's theme was just plain and simple — "Generic." The students started off the celebration week on Monday wearing hats and glasses. Tuesday the sporty look of T-shirts and sweats showed the spirit of Athletes' Day. Western Day was Wednesday, and Thursday the theme of "generic" was carried through in the wearing of black and white. They concluded the week with RAM Pride Day.

The Homecoming Assembly, hosted by Paul Swenson and Ann Hasenwinkle, proved a tremendous success with the Swing Choir and Royalty presentation of Queen Kristin Larson and King Tim Newton.

The actors traveled to ten elementary schools in two weeks. Then, a public presentation was made at Rogers High School on November 6.

Mr. Dave Richardt, the drama club advisor, described the childrens play as an educational revue that combined humor, songs, chants, and sketches to get a message across. "The students really were enthusiastic about the tour," said Richardt, "and the elementary students responded with the same enthusiasm for the show."

The Rogers annual Christmas Assembly was held Friday morning December 17. The theme this year was "Winter Wonderland", Santa's helpers stayed up all night turning the gym into a "Winter Wonderland." The assembly emphasized the aspects of giving and sharing and was highlighted by performances of the choir and Mrs. Wilkenson's drama class production of the "Grench." Other high lights included a special visit from Santa Clause, Bill Howard dropped in and gave a special talk and Mr. Taylor said "yes, yes, yes." The Assembly was chaired by Bob Oster, Val LeSchack, and Laura Bombardier, who really helped to bring the Christmas spirit to life.

VARSITY GIRLS BASEKTBALL

As the 1982-83 Ram girls got under way, they established many high goals, and worked hard to achieve them. With eight returning letter winners, they were known in the league as the team to beat.

Dominated by seniors, floor leadership was obtained through the overall effort of the entire team. They all strived together to become the best team they could possibly be.

This year, the team's main goal was to capture the SPSL Crown. With this title, they began the play-off season determined to gain their second goal, the state play-offs

Through the season, the girls found their most memorable game with cross town rival, Puyallup.

Next year's team will welcome back three jrs. and two sophomores. With the experience of these returning players, the Rams should be tough in defending their SPSL Title.

Best Team Ever

The 1982-83 J.V. Girls Basketball Team was the best J.V. team Roger's has ever had. Coached by Phil Carmichael, the girls strived to obtain their 20-0 team goal, by defending every opponent that came their way.

Each player contributed their growing talent through much hard work and dedication. Their ability to put the ball in the hoop was a big asset to this team. A high scoring game of 71-17 against Clover Park highlighted the 1982-83 season.

Sophomores Liz Larson is noted for her outstanding quickness. She played both Varsity and J.V. ball. Debbie Hoonan, Chris Stewart, and Sherry Northington were cited for their good leadership as well as playing ability.

This year's J.V. team will become a great asset to next year's squad.

Chaos In The Classroom

This year's Rogers High School winter drama production was a huge success. "Up the Down Staircase" was a comedy-drama about a first year teachers experiences in a lower class high school in New York. The play was chosen because it called for a large cast, and many students had the opportunity to participate. Over 90 students auditioned for the production. It also called for simple staging, and since the new stage wasn't completed in time for the play, the cafetorium had to be used. Director Dave Richardt noted that this play attracted the largest turnout in Rogers' drama history. The cast members put in long hard hours to make the play the success that it was.

DeAnna Blackwell was cast as the lead, Sylvia Barrett. Other cast members included: Jesse Mattes as Paul; Mary Geppart as Beatrice; Heidi Kreger as Ellen, Paul Swenson as McHabe; Cory Laux as Ms. Finch; Peggy Schleigh, Ms. Wolf; Bob Oster, Mr. Bester; Sharon Fetter, Ms. Friendenberg; Jill Scelzi, Ms. Egan and Mark Mclean, Dr. Clark.

People cast as students included Will Ludlum, Ande Farneli, Cathy Clovis, David Rathbone, Lisa Pomery, Aaron Mace, Karen Robertson, Don Downey, Dana Fox, Katy Jolley, Tim Rosario, Denise Hayes, Larry Marcoe, Joe Hauser, Sue Bambardier, Julie Ayala, John LaBerge and Lisa Hartshorn.

VALLEY TALK

Sucks

Like this band picture on this page was like taken five times. Like that's why it's in the totally active sports section. I'm so sure! Like gag me with a trumpet. Symphonic Winds is like mondo large, to the max. That's why the pictures are in three sections meaning like almost the whole school. Like if you don't play on instrument you're not tubular.

Like, there's this director Mr. Morrell and like he's so full of energy. I just like him. The way he waves his baton, whoa!

Symphonic Winds is like the most awesome band around. I mean, they compete and perform like totally awesome dudes.

Look around this world in-depth
Don't just turn away
Try to shape it for the best
To succeed in tomorrows' day

Let your mind guide you
With reverence from your heart
So you might live and flourish
And spread your beautiful art

Take with you what you've learned
Use it to your success
The lessons that your leaders gave
Will not prove meaningless

And as you leave these crowded halls
You'll find the need to start
To mould your own reality
To discover your destined part

Seniors Say "THANKS"

Reflecting back at the 1983 seniors, thoughts of many fads and fashions flash through our minds. It seems that this was the year that was filled with a little bit of everything; the Parker Pajot hats which appeared in the halls and at games, the strange signal that was exchanged throughout the day. As you will notice in the senior class picture and in many group shots in this year's annual, this gesture was often used. This was used as another way to say "Thanks".

The "Look" seemed to be made of a potpourri of styles. One of the most prevalent fashions was the "Preppy" look. Yes, who would have thought so many seniors would prefer alligators, penguins, foxes, polo players on their upper left portion of their shirts.

Some seniors were dressed in a unique motif known as "Punk". Hair was cropped so portions of it would stand straight up, earrings were replaced with safety pins, and the mini-skirt had returned. Other looks in the fashion sector were: The Tuxedo Look, Jeans, Crew Neck Sweaters, Loafers, and Checkerboard Sneakers.

If the seniors gave the impression of being unique, that was exactly what they accomplished. As Mr. Larry Meyer, the senior counselor commented, "This group of seniors was special in many ways. They were well organized and eager to learn. We were told that we would enjoy having this class in high school, and the class of '83 proved them right. They were a group that was easy to get along with and always seemed willing to get involved in the school's activities. The time has gone by so fast and I hate to see them leave. It's kind of like the last football game of the season. You're sad to see it end."

IN MEMORIAM

Memories of You

You walked with us

We saw sunshine,

You walked with us

We hoped to find the truth,

You walked with us

We learned patience and caring,

Your quiet and polite ways

Set examples for us all.

We laughed,

We cried,

And shared our dreams.

When the rain of life

Came to each one of us,

We felt for a moment

We could not see the sun,

But when our visions dawned

We realized the gift

of your friendship and

The joy of sharing

it together.

Will They Make It To Disneyland?

From left to right, Secretary Mary Oppert, Vice President Julie Wolfe, President Judy Black, Yell Leader Kim Forsman

With the help of their teacher advisors, the Junior class officers headed some successful fund raisers. The Junior class put on the Valentines Day Dance, sold pretzels at all of the home football and basketball games, spent most of December gift wrapping, and got a good start collecting money for their senior trip.

This years officers included. President Judy Black, Vice President Julie Wolfe, Secretary Mary Oppert, Yell Leader Kim Forsman President Black explained, "We worked really well together this year. It was both fun and a lot of hard work, we all enjoyed it."

Thoughts For A Friend

The sun melts the ice

then the ice goes away

You helped us to find the sun

In our eyes, you melted the ice away

The roads are rocky

and the hills we climb high

Our love for you will help us around those rocks

and up those steep hills

We will someday climb high

and be in peace with you

forever.

Sophomores Have A Good Year

Sophomore Class of 85: President: Tammy Holbrook-yell leader: Vicki Ludlam-
 president: Kari Beckman-Vice president: Susan Chapman-Ashley Masuren

The class of 85 showed enthusiasm and pride throughout the 82-83 school year. Rogers sophomores have proved to be outstanding in sports, music, and other extracurricular activities.

The sophomore class has had many successful fund raisers which got a lot of sophomores to participate in school activities. A dance was held in January by the sophomore class which proved to be very successful.

FASHION FUNDAMENTALS

Excerpts from THE OFFICIAL PREPPY HANDBOOK: Preppies dress alike because their wardrobes are formed according to fundamental principles that they absorb from their parents and their peers. And although the Preppy Look can be imitated, there are some rules that must be followed.

1. Preppies wear clothes for twenty-five years and no one can tell the difference. The fabrics, the cuts, the colors are the same, year after year.
2. Neatness is important. Shoes are polished. Socks stay up.
3. Prep clothes are sensible: rain clothes keep you dry; winter clothes keep you warm; collars are buttoned down. Layering is a natural response to varying weather conditions.
4. Everything in the wardrobe should be well made. It's got to last.

Big Man On Campus: struts around campus in a nonchalant way pretending to strike fear in the hearts of all students, lounges in office waiting for victims.

SOPHOMORE FOOTBALL

The Sophomore Football team played intense this year. They ended the 1982 season with a record of 8 wins and 1 loss, proudly capturing the #1 position.

After a few practices together they began to form into a tough ready to play team who opened with a trompling of the Sumner team. They lost the next game, but not their pride, and with determination they fought back to capture the #1 position.

With confidence growing they went out to sweep the league with an unstoppable winning streak of 7 straight games.

Coach Herdener said, "the team progressed steadily throughout the year developing into an aggressive, hard nosed group."

With the combination of a productive passing game, hard running backs, and a tough defense, we progressed into a competitive team."

1982 marked the first full year for Roger's newly formed Key Club. The main goal of the Kiwanis-sponsored club is service in both the community and school. Some of the club's projects were National Education Week where Key Club honored Roger's teachers and the Christmas toy drive for orphans. Leading the club were president, Sharon Zinn; vice president, Rhonda Fenrich; secretary, Brenda Bartholomew; treasurer, Valerie LeSchack; historian, Chris Nicholas; and class representatives were: Ann Hasenwinkle, Michelle Madsen, Adi Anderson, and Robin Michlitsch. Also Patty Engles held the office of district secretary. In April several club members were able to attend the district convention in Pasco.

Debate is a nonathletic sport. Debaters spend many hours researching to prepare themselves for year long competition. This competition centers on propositions of national and inter-national importance

Rogers Forensic Team has accomplished a great deal this year taking awards at all of the major tournaments. Our team has become well known as one of the major contenders for the state title. Not only does Rogers excel in debate competition, but in individual events as well. Many Rogers students have proved to be the state's best in such events as dramatic interp, exempt and oratory. Rogers can truly be proud of its Forensics team

A sport that most Roger's fans don't recognize is debate. The team this year strove to be successful in all areas of forensic speaking. Ann Hasenwinkle and Rhonda Fenrich lead the team, by winning the tournaments with words instead of tackles. This year the team raised money by selling bumper stickers that promoted "Ram" spirit. Carleen Houghton helped further the team by being a very supportive advisor in all team efforts

Editor's Note

The 1982-83 Annual Staff chose for this year's theme, "Fads and Fashions of '83." We felt the best way to capture the students "best of time" memories was through picturing the common areas of the fads and fashions throughout school life.

The teachers at Rogers all leave some type of memory in our minds that reminds us of the times we have spent in class with them. We categorized each teacher as we, as students, see them. We hope that through the theme of "Fads and Fashions" your memories will always picture the "Best of Times."

Roger's High School was active in sports, music clubs, plays, etc., during the 1983 year. The Aries Staff's job was to present to you a comprehensive photo journalistic view. Although they had their obstacles, it is the feeling of the Aries Staff that this book is a good representation of the 1983 attitudes and feelings.

Under the supervision of Mrs. Margaret Langston, the yearbook editors and staff photographed the subjects and designed all layouts. "Darcy Derrick was a fine editor and created a very positive atmosphere for the group, also Kevin Smith, Photo Editor should be credited for the fine photos in this book.

Members of the 1982-83 Aries Staff were: layout production - Daphne Carlson, Editor Darcy Derrick, Ann Gallagher, Pam Jorgensen, Terri Kennedy, Debbie Kupinski, Marcie McMaken, Kim McWillis, Sally Meyer, Martha Olson, Janet Schmidt, Joan Wildermuth, Sharon Zinn, Jim Bredson. "This years staff started out with very little experience. Of the 32 member staff, only four were returning journalists from last year. From fighting over the usable typewriters and trading off unwanted stories, all together we had a great year!"

Editors Note

This years COMMOMER staff not only turned out a terrific paper, but were involved in several money raising activities as well. The most successful of these was the canned food drive. With the help of the student body, thousands of cans were collected to be donated to local food banks.

Under the talented leadership of Editor Marci Metke, Photo Editor Sean Smith, Managing Editor Brenda Reilly, Ad Manager Adria Andersen and Advisor Mrs. Kinkela, this years staff did a fine job of carrying on the super COMMONER tradition.

GERMAN CLUB

German Club is a club which is made up of students who speak the German language and who are interested in the German culture. This year's German Club was a very active group of students, stated Advisor Ingrid Losey.

They have attended many different activities this year. Such as the Christmas Lighting Festival in Leavenworth. They also sold Advent Calenders for Christmas.

The President of German Club was Sophomore Shelly Isakson. Shelly was in her first year of German and enjoyed the club very much. She stated that her reason for liking German Club so well was because Mrs. Losey is from Germany and teaches a lot about the German culture.

The officers included President Shelly Isakson, Treasurer Vonda Isakson and Secretary John Hamlin.

AFS Club was designed to make our foreign students feel at home here at Rogers. This year we had an exchange student from Mexico, Irma Ruth Medina De Love. The AFS Club supported activities by sponsoring the Powder Puff games and selling suckers at football games. They also held a monthly Typical-American activity to teach our culture to the exchange students.

Spanish Club helped students to realize what the Spanish culture is like, by celebrating holidays in the traditional Spanish way, and by exploring foods, dances and songs of the Spanish-speaking world. They made the Spanish speaking exchange students feel welcome here, as well as helping to send five Rogers' students to Mexico annually on the Contact Mexico program.

Varsity Year

General Cheerleading is not all what it's cracked up to be. Some people might think that it is all glamour and glory, but that is not really true. Although there might be some glamour and glory involved, the Cheerleaders spent most of their summer mornings at 6 o'clock practices. They averaged about 20 hours a week practicing routines and chants. They also attended the National Cheerleading Association camp in Spokane where they received the NCA Award of Excellence and the Most Spirited award.

When the Cheerleaders were not practicing, you could usually find them making posters to remind students of upcoming games and to promote RAM spirit.

Under the supervision of advisor Pam Kinkela, the girls made the 1982-83 year a very exciting and rewarding one.

J.V. Cheerleaders Promote Ram Spirit

Unlike in the previous years the J.V. Cheerleaders this year were elected in the fall instead of the spring. Under the direction of Mrs. Pam Kinkela the girls cheer at all the Junior Varsity games.

Other than cheering at games these girls help at home gymnastics meets, and assemblies. Their fundraiser this year was a dance in December. With some of the money they baked cookies and bought fruit for the team members after the games.

This years J.V. Cheerleaders are Tracy Allen, Debbie Lair, Leslie Hutchins, Rhonda Moore.

The 1982 Rogers Pep Band could easily be described as the most "spirit filled" group at Rogers. If one was to sit on the oppositions side at a football or basketball game, comments often heard were, "Wow their awesome" or "Gee, like, how did they get so good?" Much of the credit must go to Mr. Morrell, who added that extra sparkle and enthusiasm to the group.

This young group, made up of sophomores and juniors, performed about every two months at various schools for high school and college students. The individuals also competed in local contests and performed recitals for parents.

One extremely talented student, junior Julie Watson, is presently a member of the All Northwest Orchestra and The Tacoma Youth Symphony which will be touring Europe this summer.

Director, Mr. Jasinski looks forward to a more experienced group of students to work with next year.

Whoa, The Chorus Vocalizes

Rogers has always been known for its excellent choral departments, this year was no exception. Both Choraliers and Concert Chorus did well in proving this fact. Appearing at concerts and festivals, these groups represented Rogers with their good singing talents. Both groups sang a variety of music, ranging from the popular tunes of the day to yesterday's classical melodies.

Like, Ya' Know They Rock

Concert Choir can be described as "the" choir. This group performed well together and developed into a family. Each member took it upon themselves to strive as a whole towards perfection. Their everyday work demanded dedication to function well with one another. Their music was mainly spiritual and classical that blended their singing talents into wonderful sounds.

You have this incredible knack of making people happy. Keep it! It's a real blessing. Thanks for all you've given me. Support, friendship, love etc. You're special. Love Always,

Swing Choir was the most popular of the choirs and could be recognized by the jazzy melodies they sang. This choir was made up of a small selected group that worked well together. The routines they performed at assemblies and concerts were very demanding of the members. The rhythmic changes and the actions added to the routines required much time and patience. But the rewards for putting forth such efforts was the fantastic swing choir Rogers had this year.

1. Members of the swing choir prove that practice makes perfect.
2. Swing Choir soothes the audience during the Christmas assembly.

Roger's 1982 Homecoming began the week of October 18. This year's theme was just plain and simple — "Generic." The students started off the celebration week on Monday wearing hats and glasses. Tuesday the sporty look of T-shirts and sweats showed the spirit of Athletes' Day. Western Day was Wednesday, and Thursday the theme of "generic" was carried through in the wearing of black and white. They concluded the week with RAM Pride Day.

The Homecoming Assembly, hosted by Paul Swenson and Ann Hasenwinkle, proved a tremendous success with the Swing Choir and Royalty presentation of Queen Kristin Larson and King Tim Newton.

The drama students this year put on the production "I Didn't Know That" for their annual Childrens Theater Tour. This was an educational play that consisted of three segments, First Facts, Selected Oddities and World Records, all based on the Guinness Book of World Records.

The actors traveled to ten elementary schools in two weeks. Then, a public presentation was made at Rogers High School on November 6.

Mr. Dave Richardt, the drama club advisor, described the childrens play as an educational revue that combined humor, songs, chants, and sketches to get a message across. "The students really were enthusiastic about the tour," said Richardt, "and the elementary students responded with the same enthusiasm for the show."

The Rogers annual Christmas Assembly was held Friday morning December 17. The theme this year was "Winter Wonderland", Santa's helpers stayed up all night turning the gym into a "Winter Wonderland." The assembly emphasized the aspects of giving and sharing and was highlighted by performances of the choir and Mrs. Wilkenson's drama class production of the "Grench." Other high lights included a special visit from Santa Clause, Bill Howard dropped in and gave a special talk and Mr. Taylor said "yes, yes, yes." The Assembly was chaired by Bob Oster, Val LeSchack, and Laura Bombardier, who really helped to bring the Christmas spirit to life.

J.V. Achieves Expert Technique

J.V. WRESTLING

Coach Edmonds described his team as having a lot of potential. Dominated by sophomores, this young, inexperienced junior varsity team was surprisingly good ending the 1983 season with a very fine record.

By the end of the season, the wrestlers hoped to develop expert technique for an even stronger 1984 team. As coach Mr. Edmonds' ongoing goal is that through wrestling the guys will grow as individuals to become better people.

The individuals worked extremely hard to learn from their mistakes to improve the team as the season progressed.

With such a young 1983 team, Coach Omli looks forward to even greater success in the years to come.

VARSITY GIRLS BASEKTBALL

As the 1982-83 Ram girls got under way, they established many high goals, and worked hard to achieve them. With eight returning letter winners, they were known in the league as the team to beat.

Dominated by seniors, floor leadership was obtained through the overall effort of the entire team. They all strived together to become the best team they could possibly be.

This year, the team's main goal was to capture the SPSL Crown. With this title, they began the play-off season determined to gain their second goal, the state play-offs

Through the season, the girls found their most memorable game with cross town rival, Puyallup.

Next year's team will welcome back three jrs. and two sophomores. With the experience of these returning players, the Rams should be tough in defending their SPSL Title.

Chaos In The Classroom

This year's Rogers High School winter drama production was a huge success. "Up the Down Staircase" was a comedy-drama about a first year teachers experiences in a lower class high school in New York. The play was chosen because it called for a large cast, and many students had the opportunity to participate. Over 90 students auditioned for the production. It also called for simple staging, and since the new stage wasn't completed in time for the play, the cafetorium had to be used. Director Dave Richardt noted that this play attracted the largest turnout in Rogers' drama history. The cast members put in long hard hours to make the play the success that it was.

DeAnna Blackwell was cast as the lead, Sylvia Barrett. Other cast members included: Jesse Mattes as Paul; Mary Geppart as Beatrice; Heidi Kreger as Ellen, Paul Swenson as McHabe; Cory Laux as Ms. Finch; Peggy Schleigh, Ms. Wolf; Bob Oster, Mr. Bester; Sharon Fetter, Ms. Friendenberg; Jill Scelzi, Ms. Egan and Mark Mclean, Dr. Clark.

People cast as students included Will Ludlum, Ande Farneli, Cathy Clovis, David Rathbone, Lisa Pomery, Aaron Mace, Karen Robertson, Don Downey, Dana Fox, Katy Jolley, Tim Rosario, Denise Hayes, Larry Marcoe, Joe Hauser, Sue Bambardier, Julie Ayala, John LaBerge and Lisa Hartshorn.

VALLEY TALK

Sucks

Like this band picture on this page was like taken five times. Like that's why it's in the totally active sports section. I'm so sure! Like gag me with a trumpet. Symphonic Winds is like mondo large, to the max. That's why the pictures are in three sections meaning like almost the whole school. Like if you don't play on instrument you're not tubular.

Like, there's this director Mr. Morrell and like he's so full of energy. I just like him. The way he waves his baton, whoa!

Symphonic Winds is like the most awesome band around. I mean, they compete and perform like totally awesome dudes.

Look around this world in-depth
Don't just turn away
Try to shape it for the best
To succeed in tomorrows' day

Let your mind guide you
With reverence from your heart
So you might live and flourish
And spread your beautiful art

Take with you what you've learned
Use it to your success
The lessons that your leaders gave
Will not prove meaningless

And as you leave these crowded halls
You'll find the need to start
To mould your own reality
To discover your destined part
